INSCRIPCIONES

Goya a su nieto (en el reverso).

HISTORIA

This work was in Mariano Goya's collection. It was subsequently in a number of different collections: that of Eduardo Cano, in Madrid; that of Ussel, in Madrid; and that of Manuel Urzaiz, in Seville. In 1900 it was in the collection of the Marquis of Alcañices, from where it was inherited by its current owners, the Duke and Duchess of Albuquerque.

ANÁLISIS ARTÍSTICO

Mariano de Goya (see biographical data in *Mariano de Goya*) is depicted here for the second time in a magnificent half-length portrait more befitting a young aristocrat than Goya's grandson. He appears to be between seven and nine years old, putting the likely date of the portrait to between 1813 and 1815. He is sitting in a chair, with a blurrily outlined musical manuscript in front of him. Marianito is shown wearing a black jacket that may have been made of velvet, above which a broad collar of white lace, executed in delicate brushstrokes, stands out. He is also wearing a striking black top hat, which frames his lively face, where his alert dark eyes stand out from his delicate white skin. His left hand is held on his hip in a charming formal gesture, whilst his right holds a rolled up piece of paper that he appears to wield like a baton.

Goya's skill in painting children has been showcased on various occasions. This work is one

of his most exquisite, reflecting with perfect naturalness the liveliness and tenderness of his beloved grandson.
